

READY TO START ACCEPTING MOBILE EMV PAYMENTS?

WE CAN HELP!

With a suite of EMV® mobile payment solutions, we can identify the most effective mobile payment product for your business.

Our mobile solution supports businesses both large and small, and their ability to accept payments on the go from their smartphone.

READY TO ATTRACT NEW CUSTOMERS AND GROW YOUR BUSINESS?

FLEXIBILITY TO FIT YOUR BUSINESS.

Take advantage of multiple hardware options allowing for different connection types and an improved customer experience.

INCREASE PAYMENT SECURITY WITH EMV TECHNOLOGY.

With an EMV chip that encrypts cardholder data, mobile EMV payments give your business all the convenience of a magstripe card with minimal risk.

ACCEPT A BROAD RANGE OF PAYMENT FORMS ON THE GO!

Yes, you can still take the old magstripe cards, but you can also appeal to a customer base expecting secure payments including EMV and NFC payments (Apple and Google Pay).
