

# READY TO START ACCEPTING MOBILE EMV PAYMENTS?

With the RP750x EMV Mobile Card Reader, you can be up and running within minutes.

THIS RP750X ENABLES BOTH EMV AND MAGSTRIPE TRANSACTIONS IN ONE DEVICE, DELIVERING SECURE MOBILE PAYMENT CAPABILITY.

## WITH IT, YOUR BUSINESS CAN:

Accept EMV® chip & sign and magstripe payments all from your mobile device

Enjoy the convenience of the small, pocket sized design for easy portability

## WHAT CAN THE RP750X PROVIDE THAT I DON'T HAVE THE ABILITY TO DO ALREADY?

Accept card-based payment anywhere through a single device, allowing customers to pay the way they want

Deliver on the latest advancements in payment technology while maintaining rigorous security standards and anti-fraud protection

Support multiple forms of payment acceptance wherever your business takes you

## WHO SHOULD USE IT?

This reader is ideal for business owners who want to offer the latest in payment technology. The RP750x reader includes a screen, enabling a familiar customer experience; it also accepts magstripe transactions and contactless payments.
